# Industrial Floor Cleaner & Degreaser

## Directions for Use

STP Floor Cleaner & Degreaser is a heavy-duty premium solvent degreaser for industrial cleaning applications. This product is suitable for use in Mopping, Auto Scrubbing, Steam Cleaning, Pressure Cleaning, Foam Cleaning Vertical Surfaces and Immersion Cleaning applications. Formulated to remove lubricating oils and greases, metal working fluids and shop dirt.

## Recommended Dilutions:

- Light Soil: 1:64 to 1:128
- Medium Soil: 1:20 to 1:64
- Heavy Soil: 1:5 to 1:20

Apply STP Floor Cleaner & Degreaser with an automatic floor machine or rotary scrubber, mop, brush, sponge, or sprayer. For heavy soil loads, allow solution to penetrate soil for 3-5 minutes. Before using this product in food processing establishments, food products and packaging materials must be removed from the area or carefully protected. Always test in a small inconspicuous area first.

Contains surfactants and sodium hydroxide. Prevent contact with eyes. Avoid contact with the skin and clothing. Wash hands after use. Do not swallow.

MOQ: 1 case (4 gallons)

Case Price: \$78.88 + Shipping
